

**MTA Vietnam**  
**Rescheduled to 6 – 9 July 2021**

Dear Valued Exhibitors, Participants and Industry Partners,

After careful deliberation with key industry members and partners, Informa Markets in Vietnam, the organiser of **MTA Vietnam 2020**, have taken the difficult but necessary decision to reschedule the event, **originally planned for 4 – 7 November 2020 at SECC Ho Chi Minh City, to 6 - 9 July 2021 at the same venue.**

We see this decision to reschedule the events as being in the best interest of our event attendees, partners and staff. Please accept our apologies for any inconveniences caused. In the meantime, we will be launching additional communications and digital opportunities to engage Vietnam's manufacturing and metal fabrication industry, and to keep you and the industry up-to-date leading up to our July 2021 edition.

We wish to thank those who participated and supported MTA Vietnam 2020 and we greatly appreciate your support. Our sole focus remains to provide an event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success.

Be sure to look out for additional communications and services from our team to keep you and the industry connected.

Should you have any questions or concerns, please contact our team at the following:

Informa Markets
