INVITATION TO PARTICIPATE AT THE GLOBAL BIZ WITH PEZA

Dear **Valued Partners**:

Greetings of peace from the Philippine Economic Zone Authority (PEZA).

For 26 years, PEZA has established itself as the top export-oriented investment promotion agency in the Philippines mandated to promote investment, create employment, and generate exports. PEZA contributes to 64% of the Philippines' Exports of Commodities and Good, 80% Export services to markets all over the world, and US\$ 54.597 Billion or 14.20% of Philippines GDP.

Despite the uncertainties brought about by the COVID-19 pandemic, PEZA remains aggressive in keeping and even attracting more investors in the country through our Transformational Road Map. These programs outline the new goals and objectives of the agency to fully industrialize and make the Philippines as an investment haven in Asia by addressing the efficiency factors in economic zone development.

As such, PEZA has organized the 'Global Biz,' a monthly investors' forum where export investors, industry associations, foreign chambers, investment promotion partners or Ka-PIPPs, ecozone developers and operators, LGUs, business people, professional cooperatives, national agencies, economists, and lawmakers meet to discuss business and investment opportunities in PEZA's ecozones.

In this regard, we cordially invite you to participate in our **Global Biz with PEZA** with this month's theme: ***"Doing Business in PEZA: Investment Opportunities for the Taiwanese Business Community"*** on **November 24, 2021, 2:00 p.m., via Microsoft Teams online video conferencing platform.**

Our main focus for this session will be on exploring partnership with potential Taiwanese investors and brief them on doing business in the Philippines particularly in the PEZA Economic Zones. In addition, the forum would serve as a venue for our existing locators to be updated on the PEZA's programs and incentives.

For registration, please accomplish the online form by accessing it through bit.ly/GBPEZATAIWAN on or before **19 November 2021 (Friday, 5:00PM)**. Provisional Program is herein attached for reference.
